Very well done!

About the reconfirmation of the Los Feliz Village BID, the Council will hear the item and consider the Ordinance of Intention to reconfirm Los Feliz Village BID at their meeting on Tuesday, April 4, 2017, at 10:00 a.m. Thereafter, we will mail out a notice to all businesses and allow for protests at a public hearing to take place about 45 days later. If the protests are not 50% or more, then the Ordinance of Establishment is considered by the City Council at their next regular meeting.

I'll give you more precise dates as we establish them. If anyone wants to attend the meeting next Tuesday and needs parking at City Hall, I need: name, vehicle color, make, model and license plate number, asap.

Thanks.

Rita

Good afternoon Los Feliz Village BID board members,

I hope the week is going well with all of you and that everyone's business is prosperous! In the past few weeks I have been approached by a few of you asking me what our LFVBID does or has done in the past. As I mentioned at our last board meeting on February 8, 2017, we are up to date with our back BID assessment payments. Our 2017 Budget is now in the hands of the City Council and we are awaiting notice for LFVBID renewal date at City Hall. Once I get notice of that hearing date and time, I will reach out to each of you to join me at City Hall during that LFVBID renewal hearing. If you have not had the opportunity to attend a council meeting, I encourage you to join me as it is a first hand experience at how our City Council works.

Since a few of you are asking me what it is that we have done in the past and what we are planning on doing for the business's in Los Feliz Village, I have created a brief "101" of what a BID does and more so what the Los Feliz Village BID does along with a brief explanation of how the City Clerks office is involved. I hope this attachment will clarify what it is we are doing. The "Los Feliz Village BID" is dedicated to improving and promoting business for each of our constituents. How I understand that is that "we" as board members on this BID will promote and market our local business's so that each of them will be more prosperous.

2017 is going to be an exciting year for our Los Feliz Village business community and we have many projects at our BID that we will be able to accomplish such as new trash cans, some tree trimming that did not happen on a small stretch of Hollywood Blvd., as well as the possibility of security patrol. We also will be holding more educational mixers that will be beneficial for our business community. I am excited that our 2017 board will be able to accomplish so much and I realize that as a volunteer board member you also have a business to run. With that said I appreciate each and every one of you for the time that you are dedicating to our village.

If you have any questions please do not hesitate to contact me. Again I thank you all for all of your support that you are giving to the Los Feliz Village BID.

Respectfully,

Rafik Ghazarian
president
Los Feliz Village BID
